New Super Bright Double Row Scene 120° Beam Light Bar

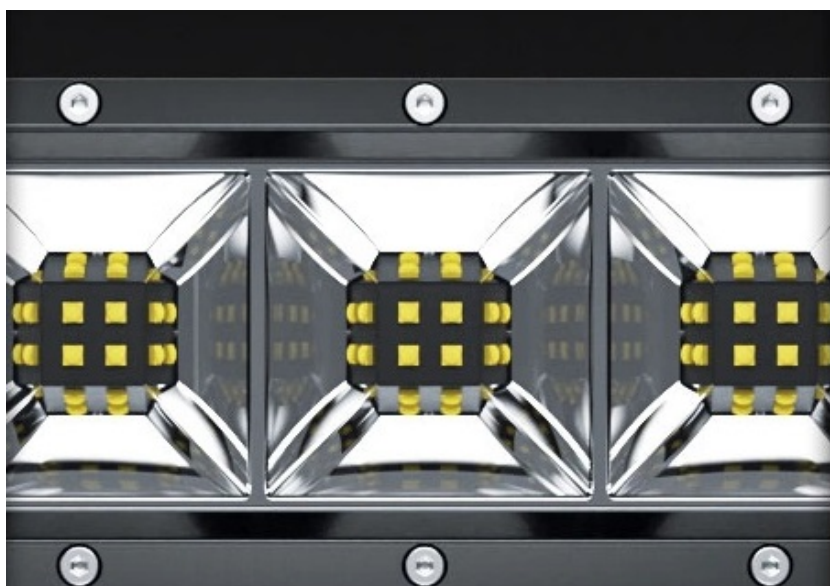

A black off-road vehicle with 'AURORA' written on its side is shown at night, illuminated by a bright light bar mounted on its roof. The background is a dark, hilly landscape under a starry sky.

A detailed view of the AURORA light bar, showing its black housing, multiple LED chips, and mounting brackets. The brand name 'AURORA' is visible on the side of the housing.

			
Super Brightness	IP68, IP69K Waterproof	Shoot Very Wide	Easy Installation

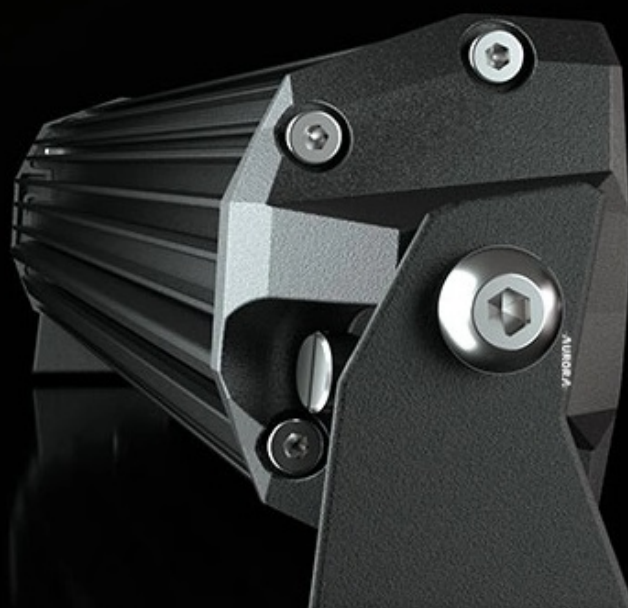

OSRAM

High brightness & long lifespan

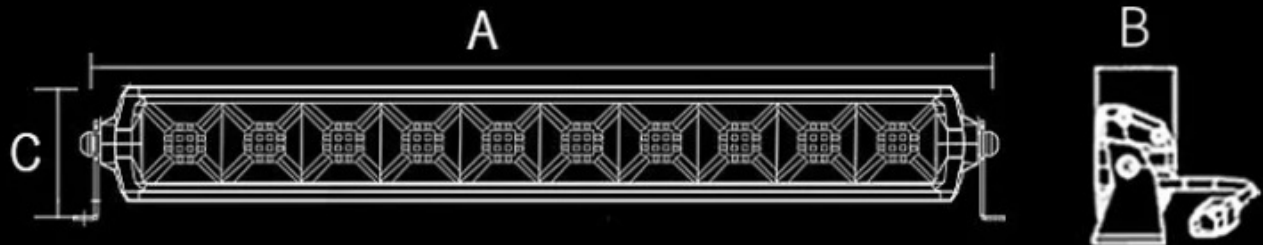

Military Breather

Keep air balance and
better waterproof
